

Invitation

The School of Electrical & Electronic Engineering, Universiti Sains Malaysia and invest Penang herald organization of The International Conference on Robotics, Vision, Information, and Signal Processing (ROVISP2007) from 28th to 30th of November 2007 at one of luxurious hotels in Penang, Malaysia. The conference provides a platform for researchers, scientists, engineers, academicians, as well as industrial professionals from all over the world to present and discuss their research results and development activities.

ROVISP2007 covers a broad spectrum of research areas that are of common interests, and pays particular attention to industrial needs. Papers describing original work in, but not limited to, the following areas will be presented during the conference:

- robotics, control, mechatronics, and automation
- vision, image, and signal processing
- artificial intelligence and computer applications
- electronic design and applications
- telecommunication systems and applications
- power system and industrial applications

The organizing committee of ROVISP2007 cordially invites your organization to join us at ROVISP2007. We invite submission of papers from your organization for oral and poster presentation during ROVISP2007. For further information, please refer to the attached Call for Papers as well as visit <http://ee.eng.usm.my/rovisp07>.

Alternatively, your organization can also participate in ROVISP2007 through direct contribution or exhibition of products. For further information, please refer to the attached form.

We look forward to welcoming you during ROVISP2007. Thank you.

Yours sincerely,

Prof. Syed Idris Syed Hassan
Organizing Secretary, ROVISP2007

Dear Prof. Syed Idris Syed Hassan,

We are pleased to inform you that we would like to participate in ROVISIP2007 through

Contribution

☐

RM2,000.00

(Free registration for ONE participant, with access to all paper presentation sessions, lunch and tea break sessions, conference dinner, and conference CD proceedings, will be provided)

☐

RM5,000.00

(Free registrations for THREE participants, with access to all paper presentation sessions, lunch and tea break sessions, conference dinner, and conference CD proceedings, will be provided)

☐

RM10,000.00

(Free registrations for SIX participants, with access to all paper presentation sessions, lunch and tea break sessions, conference dinner, and conference CD proceedings, will be provided)

Exhibition

☐

RM1,000.00 (on 29th November, 2007 at the conference hotel)
(A table and a whiteboard of will be provided)

☐

RM1,000.00 (on 30th November, 2007 at the conference hotel)
(A table and a whiteboard of will be provided)

Please find enclosed a cheque/bank draft of RM.....payable to “Bendahari, Universiti Sains Malaysia”.

Thank you.

Yours sincerely,

.....

Dr. Vedran Kordic, Austria

CALL FOR PAPERS

The International Conference on Robotics, Vision, Information, and Signal Processing (ROVISP) is organized by the School of Electrical and Electronic Engineering every two years. ROVISP 2007 will be held from 28th to 30th of November 2007, at a luxurious hotel in Penang, Malaysia. This conference provides a platform for researchers, scientists, engineers, academicians as well as industrial professionals from all over the world to present their research results and development activities in Penang, a beautiful island of Malaysia popularly known as the "Pearl of the Orient".

ROVISP 2007 will cover a broad spectrum of research areas that are of common interests, and will pay particular attention to the industrial needs. Papers describing original work in, but not limited to, the following areas will be considered for oral and poster presentations:

- **robotics, control, mechatronics, and automation**
- **vision, image, and signal processing**
- **artificial intelligence and computer applications**
- **electronic design and applications**
- **telecommunication systems and applications**
- **power system and industrial applications**

Highlights: Keynote addresses will be delivered by experts from academia and industry, including **Prof. Ren C. Luo** (President, National Chung Cheng University, Taiwan R.O.C. & Editor-in-Chief, IEEE/ASME Transactions on Mechatronics), **Prof. Otto Spaniol** (Chair of Computer Science 4, RWTH Aachen University, Germany), **Dr. Nigel Jefferies** (Vodafone Group R&D & Chairman, Wireless World Research Forum), and **Mr. Johnson Tay** (Agilent Technologies, Singapore). A number of **Best Paper Awards** will be presented to high quality papers. Selected papers will also be recommended for publication in **International Journal of Advanced Robotic Systems**, **Malaysian Journal of Computer Sciences**, and **Technical Journal of USM**.

Submission Procedure

Please submit an extended abstract in English in pdf format via email to **rovisp07@eng.usm.my** or upload via **http://ee.eng.usm.my/rovisp07**. All submitted abstracts are limited to a maximum of 2 pages (A4 size, single space, Times Roman of font size 12, single column format), including figures, tables and references. Upon acceptance, authors will be required to register and submit their full papers. Papers will be published in the conference proceedings only if at least one of the authors is officially registered.

Important Dates

Submission of Extended Abstract:	15 June 2007
Notification of Acceptance:	31 July 2007
Submission of Camera Ready Manuscripts:	10 September 2007
Early Bird Registration:	10 September 2007

Conference Fees

	<u>Normal Registration</u>	<u>Early Bird</u>
Participant	RM 800/USD 230	RM700/USD200
Participant (member of technical co-sponsors)	RM 700/USD 200	RM600/USD170
Student	RM 500/USD 140	
Student (member of technical co-sponsors)	RM 450/USD 125	
Additional Conference Dinner	RM 100/USD 30
